Quotes from Jerry Kelly

“I have a long history here (The Woodlands Country Club Tournament Course). I was dying to get back here last year. My son’s graduation took precedent, but now I get to come back to a place where I had some PGA TOUR success.”

“It’s like the old-style golf courses. You can play it along the ground a whole lot more than you can with today’s style of golf courses, so it suits me with my draw. I like playing the last bunch of holes aggressive. They’re tough holes with a lot of trouble, but I feel like to be aggressive on them is the way to go.”

“You’ve got to come out here with the mindset that you’re trying to win every single week. When it looks like you’re not going to win on the back nine on Sunday, you try and make a couple of birdies just to improve your spot. You never stop. You just keep going.”
