Insperity Invitational and SUCCESS to Deliver Thrilling Golf Experience for Kids with a Disability

PGA TOUR Champions players will team up with the SUCCESS Golf Program (Students Undertaking Challenging Courses Ensuring Development of Sportsmanship and Skill) to deliver a thrilling golf experience for a group of Houston children with a disability on Tuesday.

The kids will play a portable nine-hole outdoor golf course that will be set up on the driving range at The Woodlands Country Club Tournament Course at **10:30 a.m.** while interacting with PGA TOUR Champions professionals.

SUCCESS Golf, part of the Be An Angel Foundation (www.beanangel.org), is designed to help children with special needs develop fine motor skills and muscle control as they focus on learning golf. The program focuses on teaching the game of a lifetime to children who would not otherwise be able to participate in a sport or hobby. Early training in the game increases the chances that once these children with multiple impairments become adults, they will have a lifelong activity to participate in and enjoy.
